

unit\_model\_getName

```
graph LR; A[unit_model_getName] --> B[Model::getName]
```

A diagram showing a mapping from a unit name to a model name. On the left, a gray rectangular box contains the text 'unit\_model\_getName'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Model::getName'.

Model::getName
