

unit_flow_destructor

```
graph LR; A[unit_flow_destructor] --> B[memory_usage]
```

A diagram showing a relationship between two entities. On the left is a gray rectangular box with a black border containing the text 'unit_flow_destructor'. A dark blue arrow points from the right side of this box to a white rectangular box with a black border on the right, which contains the text 'memory_usage'.

memory_usage
